

Enchanted Gardens

Non-Refundable location, and must be paid in full at the time of booking. This is a beautiful location on top of a mountain, in Sevierville. The location holds 30-40 chairs (not included) and about 60-80 standing.

Pricing for this location is \$ 850 for 2 hours There is an option for a reception area if interested. There are cabins at location also.(additional cost)

Note- We can hold more chairs if there is not an aisle in the middle (you choose to go on the side instead of down middle) or we place chairs on the sides. The other option is we can put more chairs with an aisle, but their sides DO have a small slope, so your guest will need to be careful, and this is at their own risk. We are still playing with seating ideas for this new location!

This location does book up so advance booking is better!
